

# INDUSTRIAL SAFETY EQUIPMENT RENTAL AND TURNAROUND SERVICES

## Specialized Safety Services

- Comprehensive Respirator Fit Testing and Documentation
- Specialized Safety Personnel
  - Site Safety Supervisors
  - Site Safety Technicians
  - Hole, Bottle, and Fire Watch Technicians
  - Onsite Calibration, Maintenance, Inspection, and Technicians
  - EMT – Basic Level
  - Rescue Technicians (High Angle)
- Safety Training Courses (partial list)
  - Hydrogen Sulfide      Fire Safety (Basic)
  - Confined Space Entry      Forklift / Manlift Operation
  - Competent Person      Hazwoper: 8, 24, or 40 hr.
  - Slings / Rigging Safety      Fall Protection

## Specialized Safety Equipment

- 10 Gallon Pressurized Portable Eye Wash Station w/ Drench Hose
- Motorola HT 1000 Two-Way Radios
- Vortec Air-Cooled Vest
- Confined Space Ventilation Blowers with Exhaust Ducting
- Emergency Stretcher
- Signal Air Horns and Portable Lighting
- Portable Fire Extinguishers

## Grade D Breathing Air Systems and Trailers

- Tube Trailers (59,000 and 159,000 Cubic Foot)
- Air Cobra (220 cfm) Mobile Grade D Air Compressor
- Turnaround Grade D Mobile Compressing Station (60,000 cf / day)
- Cascade Systems
- Turnaround Support Van Trailers and Containers

## Air Monitoring Equipment (Portable and Wireless)

- Four Gas Monitors (LEL, O<sub>2</sub>, CO, H<sub>2</sub>S and Others)
- Single Gas Personal Monitors (LEL, O<sub>2</sub>, CO, H<sub>2</sub>S)
- Benzene Specific Monitors (UltraRAE)
- Photo-Ionization Monitors (PID / FID / OVA)
- Air Filtration & Carbon Monoxide Monitoring Systems
- Perimeter Gas Detection Systems
- Wireless gas detection

## Fall Protection Equipment

- Deluxe Tripod Rescue / Retrieval System
  - (1) 9 ft. adjustable tripod with non-slip base and chains
  - (1) Man-rated winch with up to 120 ft. S/S cable
  - (1) Sealed self-retracting lifeline with bi-directional retrieval winch (up to 130 ft. of S/S cable)
  - (3) Carrying bags for tripod, winch, and life line blocks
- Full Body Harness
- 100 foot Safety Life Line
- 6 ft. Lanyard with Shock Pack Fall Arrestor
- Self Retracting Life Line (50')
- Yoke with Spreader Bar (for use with full body harness)
- Yoke Wristlet Lanyard

## Breathing Air Equipment & Accessories

- Supplied Air Respirators (SAR)
- 5 Minute Egress Cylinders (Ska-Pak)
- 50 ft. Low Pressure Hose
- 100 ft. Low Pressure Hose
- 50 ft. High Pressure Hose
- 8 Outlet Manifold with Regulator and Alarm
- 5 Way Manifold Assembly with Box
- Regulator with Alarm
- 30 Minute Rescue Units with Case (SCBA)
- 5 Minute Emergency Escape Units (EEBA)
- SAR Mask with Welding Adapters
- Welding Lens Adapters and Hood Shrouds
- Pigtail and T-Block Combination
- T-Block and Fill Hose Assemblies
- Full and Half Face Air Purifying Respirators
- PAPR Respirators

## Technical Product Sales and Service

- Instrumentation
  - Air Monitors and Samplers
  - Cable and Magnetic Locators
  - Calibration Equipment
  - Gas Chromatographs
  - Gas Detection Equipment
  - Indoor Air Quality Instruments
  - Industrial Hygiene Instruments
  - Methane / Leak Detectors
  - Photoionization Detectors
  - Radiation / Health Physics Equipment
  - Water Equipment
  - X-Ray Fluorescence Analyzer
- Sampling Equipment
  - Drum and Tank Sampling Equipment
  - Glassware
  - Sample Containment
  - Soil Sampling Equipment and Supplies
  - Soil Vapor Sampling Equipment
  - Test Kits
- Safety Equipment
  - Communication Equipment
  - Confined Space Entry Equipment
  - Fall Protection
  - Fire Control and Detection Systems
  - Fire Fighting Equipment
  - First Aid Equipment & Supplies
  - Life Saving Equipment
  - Portable Lighting
  - Personal Protective Equipment
  - Respiratory Equipment
  - Sorbent Products and Spill Response Trailers
  - Vacuums - HEPA and Mercury
  - Ventilation Equipment
